**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I rely on Sonic's DSL service in the San Francisco Bay Area, both for business and personal use. Other local providers, including AT&T, are too expensive and have not been as reliable as my current company. Please do not take away Sonic's access to critical unbundled network elements, as their services are vital to many customers who have few affordable options in an already expensive city.
